Morgantown saloons have been ordered closed, but it is reported that "Speakeasies" are running full time, with large patronage.

The Republicans of Marietta have nominated a strong ticket. Now let everybody put their shoulders to the wheel and help to elect it.

Prize fighting seems to be getting the worst of it everywhere except in Marietta. Here, however, the sport flourishes without interruption.

Governor Nash would draw large audiences by touring the state in the role of the champion of anti-pugilism, and he would do well to make Marietta his first stop.

Mrs. Susan B. Anthony remarks that "the hatchet is the weapon of barbarism; the ballot is the weapon of civilization." This is a hard blow against the policy of Carrie Nation.

A New York judge broke into a pool room, opened court and immediately sentenced proprietors and players to long terms on the rock pile. This is the sort of justice that counts for something.

What's the use of all this fuss as to who did the most at Santiago—Sampson or Schley? It is generally known that the latter did the fighting while the former viewed the contest from a distance, and that fact ought to be sufficient glory for Schley.

It is the purpose of the G. A. R. Posts and the Sons of Veterans Camp of Marietta to make a strong effort to bring the Joint State encampment of these two organizations to this city in 1902, and a committee will be appointed to go to Bellefontaine, where the encampment will be held this year during the month of May. It is understood that the Board of Trade will heartily co-operate in the matter, which means much to our city. Let everybody give a helping hand.

Senior Club Entertained.

The Senior Club met at the residence of Mr. and Mrs. W. W. Mills Tuesday evening and one of the most enjoyable evenings of the season was passed at the palatial residence of the entertainers.

The readers were Dr. Cherington and Mr. Dyer. The article which was the subject for the evening's discussion was entitled "The Political Influence of Queen Victoria's Reign." The discussion soon became general and a debate of much interest was precipitated.

At a suitable hour delicious refreshments were served, thus completing a perfect evening's entertainment.

Rumor Causes Run on a Bank

BUT THE DEMANDS

Of All Customers Were Met Promptly.

EXCITEMENT WAS PANICKY

And a Lady Depositor Was Badly Bruised in the Crush.

By Associated Press.

Pittsburg, Pa., Feb. 19.—Unfounded rumors caused a run on the German National Bank of Allegheny today, during which \$180,000 was paid out to frightened depositors. The excitement at one time during the afternoon was intense causing almost a panic and giving the police all they could do to prevent an outbreak.

In the crush around the door one lady, Mrs. Mary Fogal, was seriously bruised and injured internally. Several stories are in circulation as to the reason for the run. Whatever was the cause of the trouble it had no foundation in truth.

The bank was a State and National Bank, one of the most reliable in the city. The Cashier said tonight that every demand will be met promptly tomorrow or any day. He said that the most of the raiders today were foreigners who had somehow got the impression because of N. Hoffat, President of the bank, being also President of the Pressed Steel Car Company, and that the Car Company was receiving unwarranted favors. On the contrary he said that the Car Company was one of the heaviest depositors and had never asked for a loan.

RIVER BREVITIES

Pungent Paragraphs of Interest to River Men From Wharf and Bank.

The Ohio river, while ice bound at St. Marys and inaccessible from Wheeling to Pittsburg, is yet navigable to boats at certain points both up and down the stream.

The Valley Belle touched at the local wharf Tuesday while making her trip from this city to Gallipolis.

The City of Wheeling is busily engaged plying between New Matamoros and Wheeling but above the latter place no boats are running.

All the Portsmouth wickets are out and enjoying a good trade. The stage of the river is too low, however, to allow the big boats to run with any profit even though the channel were open from Pittsburg to Cincinnati.

Dancing Academy.

Charles E. Kauffman, of Columbus, and Zeph Drum, of Marietta, successors to H. Tracy, will re-open a new and well equipped dancing academy Monday, February 25th, 1901. To the public special inducements are offered to beginners. The young men have a practical education in dancing and all of the latest dances will be introduced and taught. Monday night class will be devoted only for beginners and Thursday evening for advanced scholars. We positively guarantee to teach anyone to dance in one term of lessons, which include twelve lessons. Prices within reach of all. Call and see us. Schlicher's Hall, Front street. Feb. 20-11.

Bank Director Elected.

Mr. W. D. Devol, of Walnut Hills Farm, one of the most substantial and honorable men in the county, has been elected a member of the Board of Directors of the First National Bank of this city. Mr. Devol takes the place of Mr. S. B. Kirby, deceased.

Date Changed.

At a recent meeting of the special Banquet Committee of the Board of Trade it was decided to change the date of the banquet from March 1st to March 8th.

The Wakefield was chosen as the scene of the gastronomic feats of Marietta's business men. The program will be given later.

WAR SUPPLIES

Mr. Nappen Wants to Know What Was Sent to South Africa.

By Associated Press.

Washington, Feb. 19.—The House spent the day upon the sundry civil appropriation bill. A feature of the day was the debate upon the question of irrigation of arid lands in the West, which came up incidentally. No material amendments were placed upon the bill today. Mr. Cannon reported the last general appropriation bill deficiency. Mr. Hitt, chairman of the committee on foreign relations, reported back a resolution of inquiry introduced by Mr. Nappen of Mass., and it was adopted. The resolution is as follows: "Resolved, that the Secretary of the Treasury be requested to inform the House if our ports or waters have been used for the exportation of horses, mules and other supplies for use in South Africa, and if so to what extent and what steps have been taken to prevent the same, also the number of horses and mules shipped since the beginning of the war in South Africa, to the present time, giving shipments from each port and dates."

A somewhat similar resolution of inquiry was addressed to the Secretary of State and was also adopted.

SOUTH AFRICAN WAR

Was the Subject of Many Questions in Parliament Yesterday.

By Associated Press.

London, Feb. 19.—The House of Lords held a 20 minutes' session, today. A feature was the reading of the message from King Edward, thanking the peers for their address in reply to a speech from the throne at the opening of parliament.

The war in South Africa again furnished the subject for many questions in the House of Commons today. Secretary of State for colonies, Chamberlain, informed the house that a proclamation, setting forth the intentions of the Government in regard to the administration in the new South African colonies, has already been drafted, but has not been issued. In deference to the opinions General Kitchener and Sir Alfred Milner stated that this time was not opportune.

"MCKINLEY'S OWN"

Regiment Will Attend the Inaugural Exercises.

By Associated Press.

Columbus, O., Feb. 19.—Col. Edward Vollrath, of Bucyrus, of the Eighth Regiment, known as "McKinley's own" regiment, telephoned Adj. Gen. Gyger this afternoon that full arrangements have been made to take the regiment to Washington to take part in the inaugural exercises.

CHINESE

Must Not Procrastinate Say German Papers.

By Associated Press.

Berlin, Feb. 19.—The "National Zeitung" and other inspired papers assert that field marshal Count Von Waldersee has no intention of embarking on a large expedition into the interior of China, but they say that the Chinese will find strong forces ready to act if they continue to procrastinate.

DECLARED OFF

Was the Hamilton-Simms Boxing Contest at Youngstown.

By Associated Press.

Youngstown, Feb. 19.—By reason of the action of Gov. Nash relative to boxing contests, the match arranged between Jack Hamilton and Art Simms scheduled for next Thursday night, was postponed indefinitely and will probably be declared off.

It is filled with bright and sparkling dialogue; the specialties are new and clever; and the girls are pretty and shapely. A COUGH

Is a little thing when it begins. This is the time to stop it. The longer you put it off the harder it is to cure.

The longer it lasts, the more serious it becomes. Let it run on, and there's no telling what the end will be.

The case of consumption was a little cold once. Black Cough Syrup will stop any cough when it first begins.

It will stop most all coughs after they get bad. But the best way is to take it at the first sign of a cold.
